

MARCH IS RED CROSS MONTH

This Red Cross Month, we are thanking our supporters and urging people in our community to continue to be involved with the American Red Cross of Washington County. The Red Cross works tirelessly to be there with help and hope when people need it most, and we are grateful for the public support that enables us to continue our work here at home and abroad.

Red Cross Month is a great time for people to get involved with the Red Cross by:

- Donating blood;
- Signing up for a CPR, first aid or another Red Cross course;
- Giving a financial gift that can really save the day when the next disaster strikes;
- Getting involved as a volunteer.

We are proud of our history and appreciative of the volunteers, employees and supporters who have given time, blood or contributions to enable the Red Cross to perform its life-saving mission.

During the month of March area restaurants have agreed to partner with the Washington County chapter to sponsor a certain percentage of meal receipts to help us celebrate March as Red Cross Month.
